Pocket LOOX 718
Pocket LOOX 720
The ultimate handheld

Issue   October 2005

Pages   2

The Pocket LOOX 718/720 is the new innovative companion for progressive business navigation.
Its specially designed cabinet is small, light and stylish and fits in every pocket.

Latest features like integrated camera[1] and high-performance Intel technology make the Pocket LOOX the ideal companion for professional and private users.
Its brilliant VGA display enables convenient working on every location - indoor and outdoor.
Outstanding security features like LOOXstore and VPN solutions protect your data everywhere.

The smart worker will enjoy the outstanding connectivity of the Pocket LOOX - WLAN, IrDA and Bluetooth.
Never miss any appointment again, manage your contacts, send and receive e-mails, and get connected with your office data while on the move.

Mobility

Convenient working – indoor and outdoor

- Light weight and handy design for highest mobility

- Stylish design for every profile – business and private

- Superb VGA display for a perfect viewing experience, indoor and outdoor

- Strong and changeable battery guarantees ultimate independency from jack and keep your data safe

Highest security for your data - everywhere

- Automatic password protection when powered off saves your data in case of loosing your LOOX

- Flashable ROM (LOOXstore) saves your data in case of hard reset

- Optional VPN solutions for secure data transfer

- Mechanical and functional stability through extensive quality tests

Optimized flexibility for your individual demands

- Total data access, everywhere:
  Infrared, Bluetooth[2] and WLAN integrated

- Highest expandability due to built in CF card and SD/MMC slot, for archiving business data, pictures or multi media files

- CONNECTMOBILITY E2C for easy and comfortable connection to the network

- Broad range of accessories like GPS navigation kit, GSM/GPRS CF card, CF/SD memory cards, battery and leather cases

- Integrated camera to catch snapshots with Pocket LOOX 720

- Integrated Voice over IP receiver with patented power management

- New Software-Choice program for customer individual download (tools, games, multimedia applications and more) http://www.pocketloox-choice.com
