

A diagram showing a horizontal container with a light blue background and a black border. Inside the container, there are three sections. The first section on the left is a white rectangle with a black border containing the text 'dxConsole'. The second section in the middle is a white rectangle with a black border containing the text 'detiDxDriver'. The third section on the right is a light blue area with no border containing the text 'src'.

dxConsole

detiDxDriver
